

Rule proposal 2027

This form is designed to give members a full understanding of any rule proposals, by giving them detailed information and allowing them to make informed decisions and raise any questions based upon fact and not supposition in preparation for the AGM.

All proposals must be submitted using this official form, please complete it in full as any incomplete forms may be rejected or sent back to the proposer for further details/information.

Remember that any proposal should meet the criteria of at least one point contained in section 2.17 of the 2026 rulebook.

Note: a rule proposal must be specific and not just a discussion point.
